What are your benefits?

You are eligible for the following benefits under this product:

Guaranteed Loyalty Addition (GLA)

Guaranteed Loyalty Addition of (Policy Term / 2)% * Basic Sum Assured is payable either on maturity or death and is dependent on the policy term chosen.

Maturity Benefit

On maturity we will pay Minimum Guaranteed Sum Assured on maturity plus vested Simple Reversionary Bonus plus Terminal Bonus, if any, provided the policy is in force and all due premiums have been paid.

Death Benefit

In case of unfortunate event of the death of the insured; "Sum Assured on death" along with vested Simple Reversionary Bonus and Terminal Bonus (if any) will be payable. This total amount will be subject to a minimum of 105% of Total Premiums Paid, as on the date of death.

"Sum Assured on death" shall be the higher of the following:

- 10 times Annualised Premium
- Minimum Guaranteed Sum Assured on maturity

"Annualised Premium" shall be the premium paid in a year with respect to the basic sum assured chosen by the policy holder, excluding the underwriting extra premiums and loading for modal premiums, if any.

"Minimum Guaranteed Sum Assured on maturity" shall be the Basic Sum Assured plus Guaranteed Loyalty Addition (GLA).

"Total Premiums Paid" means amount equal to the total premiums paid during the premium payment term of the policy. Such amount should be excluding interest, tax, underwriting extra premiums and loading for modal premiums, if any.

Flexibility of Additional Coverage¹:

You have further flexibility to customize your product by adding the following optional rider. The rider can be attached only at the policy inception.

Tata AIA Life Insurance Accidental Death and Dismemberment (Long Scale) (ADDL) Rider (UIN: 110B028V01)

This rider ensures protection of your family by paying your nominee an amount equal to the rider sum assured in case of an accidental death. In case of severe dismemberment like loss of limbs or bodily functions or severe burns due to an accident, it will pay a percentage of the rider sum assured as per the ADDL benefit chart. The benefits will be doubled in case of certain accidental death or dismemberments.

Premium Payment Term under this rider will be same as premium paying term of the Base policy or (70-age at entry) whichever is lower. The Rider Policy Term will be equal to Premium Payment Term under the Base Policy or up to the age 70 years of the insured whichever is earlier.

For more details on the features, benefits, conditions, premiums and exclusions under this rider, please refer to the Rider Brochure or contact our Insurance Advisor or visit our nearest branch office.

Kindly refer the sales illustration for exact premiums. In case of unfortunate death of the insured, **Death Benefit** as defined under 'What are your Benefits' will be payable. [†]provided all due premiums have been paid.

Other plan features/ Terms and Conditions

Surrender

The policy can be surrendered any time during the term of the policy, provided at least the first full year's premium has been paid. The surrender value payable is higher of the Guaranteed Surrender Value (GSV) or Special Surrender Value (SSV).

The minimum guaranteed surrender value shall be the sum of guaranteed surrender value and the surrender value of any subsisting bonus, as applicable, already vested to the policy. It is defined as a percentage of the "Total Premiums Paid". The percentage payable, i.e. the Guaranteed Surrender Value Factor, varies according to the policy term and the policy year of surrender.

Guaranteed Surrender Value = (Total Premiums Paid x GSV factor for premium[^]) + (vested Simple Reversionary Bonus, if any x GSV factor for bonus[^]).

The Special Surrender Value will be calculated as follows:

Special Surrender Value Factor[^] x (Reduced Paid up Sum Assured + Guaranteed Loyalty Addition + vested Simple Reversionary Bonuses, if any).

Where Guaranteed Loyalty Addition is calculated as defined percentage of Reduced Paid-up Sum Assured.

The Special Surrender Value Factors vary according to the policy term and policy year of surrender.

Company has the right to review the basis for calculating these factors from time to time based on the experience and will be subject to prior approval of IRDA of India.

[^]For Guaranteed Surrender Value Factors and Special Surrender Value Factors, please refer to the policy contract.

Grace Period

If you are unable to pay your Premium on time, starting from the premium pay-to-date, a grace period of 15 days for monthly mode and 30 days for all other modes will be offered. During this period your policy is considered to be in force with the risk cover as per the terms & conditions of the policy. If any premium remains unpaid at the end of its Grace Period, the Policy shall lapse and have no further value except as may be provided under the Non-Forfeiture Section.

Non-forfeiture Provisions

If the premium is not paid by the end of the grace period, the policy will lapse and can be reinstated within two years from the due date of first unpaid premium.

When the full premium for the first policy year is not paid within the grace period, the policy shall lapse from the due date of first unpaid premium and no benefits will be payable.

The policy will be converted into a reduced paid-up policy by default, provided full premium for the first policy year has been paid and subsequent premiums remain unpaid.

Reduced Paid-up policy is a default non-forfeiture benefit. Such reduced paid up policies can be revived within two (2)

years from the due date of first unpaid premium by payment of all due premiums together with interest.

Once policy becomes reduced paid up and is not revived within two (2) years from the due date of first unpaid premium, it will continue to be in reduced paid up status.

Once the policy becomes reduced paid up, the policy shall not be entitled to any further Simple Reversionary Bonuses, Terminal Bonus, if any.

In case of reduced paid up policies, the benefits payable will be as below:

Death benefit in case of reduced paid up policies:

Sum Assured on death x (Number of premiums paid)/ (Number of premiums payable, during the entire policy term) + Vested Simple Reversionary Bonus will be payable.

This total amount will be subject to a minimum of 105% of Total Premiums Paid, as on the date of death.

Maturity benefit in case of reduced paid up policies:

Minimum Guaranteed Sum Assured on maturity x (Number of premiums paid)/ (Number of premiums payable, during the entire policy term) along with vested Simple Reversionary Bonus will be payable.

Revival/ Reinstatement

If a premium is in default beyond the Grace Period and subject to the Policy not having been surrendered, policyholder may reinstate/revive the same within two years after the due date of first unpaid premium and before the date of maturity. However, the Company would require: a) A written application from policyholder for reinstatement/revival; b) Current health certificate of life insured and evidence of insurability satisfactory to us; c) Payment of all overdue premiums with interest; d) Repayment or reinstatement of any Indebtedness outstanding at the due date of the premium at default plus interest.

Any reinstatement / revival shall only cover insured event which occurs after the reinstatement / revival date.

Free Look Period

If you are not satisfied with the terms & conditions / features of the policy, you have the right to cancel the Policy by providing written notice to the Company and receive a refund of all premiums paid without interest after deducting a) Proportionate risk premium for the period on cover, b) Stamp duty and medical examination costs which have been incurred for issuing the Policy. Such notice must be signed by you and received directly by the Company within 15 days from the date of receipt of the policy document. The said period of 15 days shall stand extended to 30 days, if the policy is sourced through distance marketing mode.
