Grace Period

If you are unable to pay your premium on time, starting from the premium pay-to-date, a Grace Period of 15 days for monthly mode and 30 days for all other modes will be offered. During this period your policy is considered to be in-force with the risk cover as per the terms & conditions of the policy. If any regular premium remains unpaid at the end of its Grace Period, the policy shall lapse. If the full premium for the first 2 & 3 policy years remains unpaid at the end of their grace period for policies with premium payment term of less than 10 years & policies with premium payment term greater than or equal to 10 years respectively, the policies shall lapse from the due date of the first unpaid premium. If any claim occurs during the Grace Period, any due premiums (without interest) of the policy, which are not paid as on date of death, will be deducted from the death claim payout.

Free Look Period

If you are not satisfied with the terms & conditions/features of the policy, you have the right to cancel the policy by providing a written notice to the Company and receive the refund of all premiums paid without interest after deducting (a) proportionate risk premium for the period on cover and (b) stamp duty and medical examination cost (including applicable taxes, cesses and levies) which have been incurred for issuing the policy. Such notice must be signed by you and received directly by the Company within 15 days from the date of receipt of the policy document. The said period of 15 days shall stand extended to 30 days, if the policy is sourced through distance marketing mode, which includes every activity of solicitation (including lead generation) and sale of insurance products through voice mode, SMS, electronic mode, physical mode (like postal mail) or any other means of communication other than in person or through online sales.

Distance Marketing will include sales through Direct Sales (other than in person).

The Proportionate risk premium will be determined as under:
("Sum Assured on death" / "Enhanced Sum Assured on death" plus Net Present Value of future income benefits, if any, at SBI domestic term deposit rate for '1 year to less than 2 years', plus 2%) multiplied by (mortality rate) multiplied by (number of days for the period on cover /365)

Increase /Decrease in Basic Sum Assured

Any increase or decrease in the Basic Sum Assured is not allowed post inception of the policy.
